FAQ's

What is Teacher Foundry?

Teacher Foundry is a specialised service that equips educators with tools, branding, and support to create, market, and deliver online courses.

Who can use Teacher Foundry?

School and college teachers, independent trainers, subject experts, and educational institutions looking to grow their digital presence.

What services are included?

We offer course creation support, website/LMS setup, branding, marketing, certification, and ongoing technical guidance.

Do I need technical experience?

No. Our team handles the technical setup, so educators can focus on teaching and course content.

How long does it take to launch a course?

Depending on the package and complexity, most courses can be launched within 4–8 weeks with our support.

Can I scale my existing courses?

Yes. We provide tools, marketing strategies, and audience-building guidance to help scale reach and revenue.

What kind of support is offered?

We offer one-to-one guidance, community access, templates, AI tools, and ongoing technical assistance.

Let's Get Started!

Your expertise deserves a platform. Teacher Foundry equips you with the tools, branding, and support to **create, launch, and scale your online courses effortlessly.**

Whether you're a school teacher, independent trainer, or institution, we make the digital journey simple and impactful.
